Adult pizza-making parties

£32.95
per adult

Party length & group size
Confirmed by your chosen restaurant

What's included
Each guest makes and enjoys their own freshly baked pizza. Includes one glass of Prosecco on arrival (18+), or a soft drink alternative. Additional drinks and agreed extras are charged separately.

Booking and payment
Email your chosen restaurant with your preferred date, time and number of adults. Before you commit, we'll confirm the package, start and finish times, any minimum number or minimum charge, any deposit and when the balance is due.

We'll also agree the deadline for final numbers and the free-cancellation deadline. Your party is booked once we've received any required deposit and sent written confirmation. We deduct the deposit from your bill.

Allergies and dietary requirements
Tell us about any food allergies, intolerances or access needs when you enquire. Before handling the dough or toppings, speak to your host. We'll check the ingredients, explain any risk of contact with allergens at the shared table and discuss suitable options with you.

Changing or cancelling your party
To change the date or guest numbers, or to cancel, email your restaurant with the booking name, date and time. We'll let you know if a new date or extra places are available.

If you cancel places by the agreed free-cancellation deadline, we'll refund what you paid for them. After that deadline, a charge for a cancellation, fewer guests or a missed party applies only if you agreed to it when booking. If no charge was agreed, you'll receive a full refund for the cancelled places.

We'll try to rebook the places and deduct any costs we save. We'll charge only for the loss that remains, refund any excess and explain the amount on request.

If Bella Capri cancels or proposes a significant change, you may choose an alternative or a full refund. Your statutory rights are unaffected.
